HIGOLD® HEXAGONAL BUILDING

Focus on High-end Intelligent Manufacturing Diversification Glints the World

The second intelligent manufacturing base of Higold Group is Located in Guanghua Industrial Zone, Xingtan Town, Shunde District, with a construction area of 200,000 square metres. Higold Group took the lead in opening a comprehensive digital and intelligent transformation production base of the manufacturing system. The hexagonal building, built to the standard of "dark factory", will create 4 smart factories, one R&D centre and one hardware museum, which will be another success for Higold to build a high-quality smart enterprise.

The first phase of the factory building has been fully constructed into a super factory for automatic production. The main products include hinges, guide rails, drawers and hardware core components. It is currently a demonstration benchmark factory with leading production, quality and efficiency. In the future, it will promote the annual output of hinges to more than 1 billion pieces, and strive to build an unmanned workshop with 24-hour fully automatic production, and strive to become a leading world-class home hardware aircraft carrier.
